If using a SatNav system, be sure to approach OnBike from the A449. Some SatNavs will take you to Hartlebury village, the opposite side of the trading estate.

- Travelling from Kidderminster towards Worcester on the A449, after about 3 miles, turn left at a roundabout with an Esso garage. It will be sign posted to Hartlebury Trading Estate.
- Turn left into the estate and take the first left into Beech Drive.
- Carry straight on over a dog-leg in the road with a speed bump and continue past Arctic Spas on the left.
- You will see a sign ahead for The Enterprise Centre - turn left just after this sign and OnBike is the last unit on the left at the far end.
Just call if you need any help!
